Dear Mayor Buddy Dyer,

On behalf of all Thai Community across the United States, I would like to express my deepest condolences to you and through you, to all the bereaved families, for the tragedy and irreparable losses of their loved ones at the Pulse Club, Orlando.

Their Majesties the King and Queen of Thailand are deeply distressed by this brutal act and so are all the people of Thailand as hundreds of them gathered outside the US Embassy in Bangkok for a candlelight vigil to show their solidarity and moral support with the people around the world.

Thailand is the United States oldest ally in Asia and the Pacific and we all are standing by the people of Orlando and across the United States to overcome this difficult time and to fight together all forms of violence, hatred and terrorism.

Please share our message of love and solidarity with the bereaved families and their loved ones. We pray for those survivals in hospitals a speedy recovery.

With best wishes,

Yours sincerely,
Pisan Manawapat
